

Department of Automotive Technologies at Budapest University of Technology and Economics is organizing the „Conference on I4.0 in Automotive Industry: how to adapt university education to new industry challenges?” (supported by IVF under grant no. 21640389) in Budapest.

*We are pleased to invite you to take part on I4.0 Conference.*

Organizers:

Budapest University of Technology and Economics, Budapest, Hungary  
Tomas Bata University, Zlín, The Czech Republic  
The Technical University of Košice, Košice, Slovakia  
University of Zielona Góra, Zielona Góra, Poland

Date: 10<sup>th</sup> October 2017 8:30 – 17:00

Place: Budapest University of Technology and Economics  
Department of Automotive Technologies  
HU-1111 Budapest, Műegyetem rakpart 3.

Language: English

During the conference Universities and Automotive Companies (OEMs and Suppliers) will present their concept about i4.0. The main target of the event is to make close relationship between industry and university education in order to prepare ourselves for future knowledge demand of educated students.

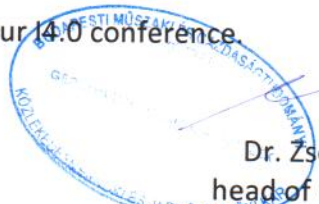

Further details will be available later.

No attendee fee, but preliminary registration needed.

Please give feedback about your participation as early as you can.

Contact: Anita Gál-Porkoláb, [gal-porkolab.anita@ejt.bme.hu](mailto:gal-porkolab.anita@ejt.bme.hu)

We are looking forward to your confirmed presence at our I4.0 conference.

Dr. Zsolt Szalay  
head of department
